

# 911 WARNING!

**This is a VoIP phone service. 911 Service may be limited or unavailable under certain circumstances if:**

- Your electrical power is disrupted
- Your broadband/internet connection has failed or is disconnected
- You have relocated your handset and the current location is not registered with IdeaTek

It is ***IMPERATIVE*** that you contact IdeaTek before moving this phone to another location to avoid disruption to 911 emergency services. Call **855-433-2835** BEFORE moving.

**If you are unable to complete a 911 call, please use the emergency phone nearest you.**
